We are WINNING the war.

But if THEY take it hot, there's no time to get them 'next time'

Again, CAPITOL BUILDING ONLY!

43 Evidently, the "law" in DC is you can't exercise your 2A rights if you're exercising your 1A rights. Like, WTF? It actually says that in the gateway pundit article. I hate DC's mayor. I'm sure the BLM/Antifa protests are devoid of firearms. Also, the mayor states that she called in the DCNG and told DC residents to stay away from downtown because we're "confrontational", lol

2 Nope. I just think the crimes go a lot deeper than most of us are willing to believe, and there's no penalty we can dish out that falls even close to meting out justice.

1 There is some irony here. It was the American example that inspired the revolution in France, now it is their example being learned from. Never thought that would happen, us learning from France.

"A well-regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." PERIOD. NO IFS ANDS OR BUTS! GO GET EM' BOYS!

▼ I agree and pray it does, but I also think nothing will happen as majority of Americans to date continue to suck down the shit milkshake they are given. Time will tell, but I'm banking on overwhelming nothing burger not due to dooming, just due to most Americans being pussies nowadays.

For the record, I showed up armed to the teeth when BLM/ANTIFA tried showing up to my town. I practice what I preach.
